

WHO WE ARE

At Bohiti Botánica we believe in creating a healthier, more mindful relationship with our skin and the environment. Our Latina-owned and operated skincare line is made with all natural and organic ingredients, sourced sustainably right here in the USA.

We strive to create products that are not only nourishing and beneficial for your skin, but also kinder to the planet. We are committed to providing the highest quality skincare products for those looking for a more natural and holistic approach to beauty.

OUR BACKGROUND

We are Latina owned and operated
We are Veteran owned and operated
We are cruelty free
We are local, USA made and small batch

COMMITMENT

Our ingredients are carefully selected from sustainable sources and are ethically produced. They are free from synthetic chemicals, dyes and preservatives. All of our products are cruelty-free and gluten-free. We are also committed to using recyclable and reusable packaging in order to reduce our environmental impact.

BATH SALTS

EPSOMITA

Epsom Salt
Vitamin E
Coconut Oil
Essential Oils

Descanso: Lavender, Vanilla and Oatmeal

Despojo: Citrus Sage

Sedosa: Vanilla Coconut

Baño De Leche: Powdered Goat's Milk
Fine Epsom Salt

Our Epsomita Bath Salts are a luxurious blend of epsom salt, vitamin E, coconut oil and essential oils. Epsom salt helps to relax muscles, soothe skin and reduce inflammation, while vitamin E helps to nourish and protect it from environmental damage. Coconut oil is a natural moisturizer, and essential oils provide a calming and relaxing scent. Indulge yourself with a luxurious and therapeutic bath, and feel the beneficial effects on your skin.
